COMFORT CLUB PREVENTIVE MAINTENANCE BENEFITS

ALL MAKES AND MODELS

Henry Heating Cooling & Plumbing Comfort Club Preventive Maintenance Plans cover systems from all manufacturers.

SEMIANNUAL CHECK

2 preventive maintenance visits each year occurs once during the cooling season and once during the heating season.

MULTIPOINT PROTECTION

Technicians complete a comprehensive service and inspection of your heating and cooling system.

WORRY FREE SCHEDULING

Henry Heating Cooling & Plumbing contacts you to schedule your appointment.

INCREASE COMFORT

A dirty HVAC system takes longer to meet your temperature needs.

RAISE INDOOR AIR QUALITY

Regular maintenance increases the cleanliness of the system. Reducing air pollutants circulating in the home.

REDUCE ENERGY BILLS

Your HVAC system accounts for up to 40% of your homes energy cost. A clean HVAC system operates more efficiently than one that has not been maintained.

MAINTAIN WARRANTY

Most manufacturers require regular maintenance be completed for the warranty to be valid.

EXTEND SYSTEM LIFESPAN

Without regular maintenance, your system may not last 15 or more years without major issues and costly repairs.

PREVENT BREAKDOWNS

Most breakdowns may be traced back to a lack of regular maintenance.

MAINTENANCE VISIT

Tighten Electrical

Check Thermostat

Lubricate

Change Air Filter

Check Safety Controls
